
PREA Response Pocket Card

- Separate the victim(s) and perpetrator(s) - ensure their safety and security.
- Get a brief statement of the incident.
- Notify supervisor.
- Be sure evidence is not destroyed (e.g., do not allow the perpetrator(s) to wash, shower, clean up, brush teeth, change clothes, urinate, defecate, smoke, drink, or eat).

-
- **PREA is the Prison Rape Elimination Act**
 - **We have a zero tolerance for any sexual abuse or sexual harassment between incarcerated individuals and between staff and incarcerated individuals.**
 - **Being sexually abused is not part of the sentence.**

PREA Response Pocket Card

- Secure the crime scene and seal access.
- Separately, take the victim(s) and perpetrator(s) to medical.
- The supervisor shall contact investigations to conduct interviews, take photos, and notify victim services for their assistance.
- Complete a serious incident report and document it in the appropriate log(s) or information management systems.
- Ensure the victim(s) and perpetrator(s) are not housed near each other upon their return.
- Supervisors shall notify the PREA Coordinator and Warden/designee.

Refer to your agency policy for full information.
